**FRONT COVER:** It's hard to believe that this Cessna 172 was delivered over 36 years ago. One of the first built with Cessna's Ommnivision back window, it's been a part of Robert Koshar's family since 1972. It won the Contemporary Champion award at EAA AirVenture 2000. EAA photo by Jim Koepnick, EAA Cessna 210 photo plane flown by Bruce Moore.

**BACK COVER:** Frank Warren's striking painting entitled "All American Ace" shows us Douglas Campbell, the first pilot trained by Americans to become an ace during WW-I. Campbell downed his 5 German aircraft in 1918. He stands beside a Nieuport 28 bearing the "Hat in the Ring" markings of the 94th Squadron of the American 1st Pursuit Group. Warren's painting was awarded an Honorable Mention ribbon from the judges of the 2002 EAA Sport Aviation Art Competition.
