COVERS

FRONT COVER: Jack Russell and Gene Day, along with Jack's fiancée, Cindy Johnson, and Gene's wife, Bonnie, restored Jack's Cessna 170 with a bit of a custom flair, using a color scheme that is based in part on the old Eastern Airlines markings. Read about it and a stock Cessna 170 in the article starting on page 12. EAA photo by Jim Koepnick, EAA photo plane flown by Bruce Moore.

BACK COVER: Dan Wood and his son Nick did all the metalwork when they restored their pristine Cessna 170, shown here over a broken layer of clouds west of Oshkosh, Wisconsin, during EAA AirVenture Oshkosh 2005. EAA photo by Mike Steineke, EAA photo plane flown by Bruce Moore.
