## COVERS

**FRONT COVER:** Sparkling above the scattered clouds near Oshkosh, Dean Richardson flies his 2005 EAA AirVenture Oshkosh Grand Champion Contemporary 1966 Cessna 180H for EAA's camera plane. EAA photo by Brett Brock.

**BACK COVER:** Harry Mutter's beautiful restoration of the 1947 Piper Super Cruiser "The City of the Angels" is backlit as it flies towards a Florida sunset just prior to the Sun 'n Fun Fly-In in Lakeland, Florida. The airplane, the same one flown by George Truman during his record-setting around-the-world flight (accompanied by Clifford Evans in an identical Super Cruiser), was the flagship of this past spring's 70th anniversary recreation of the Cub Convoy.
